150+ Students Exam-Ready | 72% A/B Board Grade Rate (Peak 77%) | 4+ Years CAIE Experience | 4 CAIE Codes Qualified

PROFESSIONAL SUMMARY

Cambridge-specialist CS & ICT educator with 4+ years of measurable board exam impact: 150+ students prepared across O-Level, IGCSE, and A-Level, sustaining a 72% A/B average across four consecutive CAIE cohorts (peak 77%). BSE graduate, Bahria University. Microsoft Innovative Educator Expert (MIEE 2025). Expertise spans 4 CAIE codes, CAIE-aligned curriculum development, programming lab delivery, and institutional co-curricular leadership. Targeting Senior Teacher or Subject Coordinator responsibility at a premium Cambridge institution.

TEACHING EXPERIENCE

Computer Science Teacher — IGCSE, A-Level & Senior College · Commander Schooling & College System, Karachi

Dec 2025 – May 2026

Fixed-Term Contract · Full Board Specification Coverage

- Delivered CAIE-aligned CS instruction across IGCSE, A-Level, and senior college; achieved 100% curriculum coverage within contracted term.
- Designed differentiated lesson plans and formative assessments; contributed to parent-teacher communication and co-curricular initiatives throughout placement.

ICT & Computer Science Teacher — O-Level & IGCSE · Roots Millennium Schools, Karachi

Oct 2022 – Nov 2025

CAIE Codes: 2210 · 0417 · 0478 · 9618

- Sustained a 72% A/B board grade rate across four consecutive CAIE cohorts (peak 77% in strongest exam cycle) — outperforming school-wide averages.
- Delivered hands-on programming labs in Python, Java, C#, and web technologies for classes of 20–25; measurably elevated algorithmic thinking and coding proficiency across all ability bands.
- Authored school-wide Cambridge-aligned resource library — lesson packs, revision guides, lab worksheets, and mock assessments — adopted across all year groups.
- Mentored students to 1st & 2nd place at Baitussalam Olympiad 2025 (Robotics/LFR) and podium finishes across multiple AI, Robotics & Coding Olympiads.
- Founded and led school Coding Club; organised Cambridge Technology Week, STEM Fairs, and inter-school competitions — elevating institutional profile in STEM education.
- Introduced foundational programming to Lower Secondary (Years 7–8); achieved 100% student participation in Digi Explorer Examination 2025.

EDUCATION

Bachelor of Software Engineering (BSE) · Bahria University, Karachi

2018 – 2022

- Capstone: Front-end lead for a dynamic LMS platform — delivered full-stack online learning solution.
